

Dear CLA Member:

The CLA Events Committee has again been actively engaged in building our “library of gifts” which make our events more exciting for members, while they help support the important efforts of the Lodging Association to battle harmful legislation and regulation and provide services to our members.

The Connecticut Lodging Association is engaged on behalf of the industry in support of legislation that dedicates a portion of the occupancy tax, 2% of 12%, to tourism advertising, promotion and marketing while it battles any increase in the tax itself. We are engaged in a number of other issues such as liquor sales, double taxation on movies, the Workers Comp Coalition and many other issues that will affect your bottom line.

Our work must continue, so...Please join your colleagues in support of the industry by giving to the library of gifts. We are looking for weekend packages and dinners, room nights and whatever we can trade or raffle off to bring value to the membership and support the efforts of the association. You may send your gifts to the CLA, PO Box 1058, Glastonbury, CT 06033. Attention: Melissa Concatelli.

Thanks for your generosity and support.  
Sincerely,  
*Chuck Moran*  
CLA President
